

Intern UI & UX Designer Task

Brief

- Complete the task outlined below using Sketch.
- Email lucia@yellow.build with a WeTransfer link to a folder containing your work.
 - Include an export as well as your original sketch file.
 - Name the folder & email subject "[Your full name] Intern UI & UX Designer Task".

Task

- Replicate the Spotlas Home Screen in Sketch.
 - Your design should resemble the current Home Screen as closely as possible.
 - Optimise your use of symbols.
 - Set up resizing so that the artboard can be resized to a variety of mobile screen sizes.
